

About Talent

People, Companies and Culture Connecting for Success!

ABOUT TALENT | PLAN • IDENTIFY • ACQUIRE • MANAGE

Say hello to About Talent

Our name says it all. We are a **workforce solutions company** that specializes in **planning, identifying, acquiring,** and **managing** talent on behalf of our clients. Above all, we find talent that will champion our client's distinct culture.

About Talent brings a different level of service to growing, mid-market companies looking for recruiting and contingent labor management services.

We started with a vision to bring together a team of best in class experts for each company we work with. Our business clients can rely on their uniquely dedicated team to create effective, efficient and "real world" talent acquisition solutions.

Our primary focus is to deliver one key element again and again: SUCCESS!

We would like to show you how About Talent is completely revolutionizing the way companies identify, acquire and manage their talent.

Connect with us today so that we can learn more about your current talent solutions and how we can create remarkable experiences for you!
